Tank Truck Driver (m/f/d) | C/CE | ADR Hazardous Goods for our HUB in Bochum-Wattenscheid

Description

Since our founding in 1965, we have developed into an internationally active logistics company specializing in the transport of basic chemicals. In particular, the transport of liquid sulfur has become our flagship product over many years. We also transport sulfuric acid, oleum, caustic soda, and solvents. Since June 1, 2017, we have been part of Mitsui & Co., Ltd., a major Japanese trading group with a global presence and around 47,000 employees worldwide.

The focus of our company is safety and quality. We attach great importance to using modern equipment and meeting all technical safety standards. Our long-established quality management system (DIN EN ISO 9001) as well as the requirements of SQAS (Safety and Quality Assessment for Sustainability) serve as our benchmarks. This ensures the safety of all our employees and the reliability of our transport operations.

Tasks / Main Responsibilities

- Independent loading and unloading of our vehicles
- Handling of routes for all transports (national and international)
- Documentation of your complete route progression
- Departure checks on the assigned vehicles
- Comprehensive documentation of the transportation documents
- Ensuring Ruhrtrans quality and safety standards in collaboration with our dispatch

Training

- Training as a professional driver (m/f/d) or another completed qualification

Qualifications

- Interest in a long-term collaboration
- Valid CE driver's license and valid ADR certification (tank)
- High reliability, sense of responsibility, teamwork and willingness to perform
- Good German language skills (spoken and written)
- English skills are an advantage

Experience

- Work experience in the field of hazardous materials transport

Employer Benefits

- A secure, permanent position
- Comprehensive onboarding and close support by our experienced Master-Drivers
- Attractive salary plus allowances and per diems
